

PUBLIC HEALTH DEPARTMENT[641]

Adopted and Filed

Pursuant to the authority of Iowa Code section 105.4, the Plumbing and Mechanical Systems Board hereby amends Chapter 28, “Plumbing and Mechanical Systems Board—Licensure Fees,” Iowa Administrative Code.

The purpose of these amendments is to align the rules in Chapter 28 with the definitions and requirements contained in 2011 Iowa Acts, House File 392. These amendments describe the fees for new licenses, reciprocal licenses, and renewal licenses for those persons working in the plumbing, HVAC, refrigeration, and hydronics trades. In addition, late renewal fees are addressed. An annual review of the fee schedule is also included.

Notice of Intended Action was published in the Iowa Administrative Bulletin on July 13, 2011, as **ARC 9610B**. In addition, these amendments were simultaneously Adopted and Filed Emergency as **ARC 9603B**. One public comment was received in support of the amendments. These amendments are identical to the amendments published under Notice of Intended Action and Adopted and Filed Emergency.

The Plumbing and Mechanical Systems Board adopted these amendments on September 20, 2011.

After analysis and review of this rule making, no impact on jobs has been found.

These amendments are intended to implement Iowa Code chapter 105 as amended by 2011 Iowa Acts, House File 392.

These amendments shall become effective on December 21, 2011, at which time the Adopted and Filed Emergency amendments are hereby rescinded.

EDITOR’S NOTE: Pursuant to recommendation of the Administrative Rules Review Committee published in the Iowa Administrative Bulletin, September 10, 1986, the text of these amendments [28.1, 28.2] is being omitted. These amendments are identical to those published under Notice as **ARC 9610B** and Adopted and Filed Emergency as **ARC 9603B**, IAB 7/13/11.
